

Market Possibilities

A technology with competitive advantages in various markets

Al-ion: A New Opportunity

Better performances than Li-ion:
 2x specific energy
 +50% cyclability
 +50% power

Advantages of materials used:

<p>Abundant materials</p>	<p>Non-toxic</p>
<p>Cost-affordable</p>	<p>Not subject to supply risks</p>

THE ONLY EUROPEAN RESEARCH PROJECT ON AL-ION BATTERIES
